Press Release

Mayor Gary McCarthy announces the City of Schenectady to Receive Over \$1.2 Million in CDTC Funding to Improve Roads

Schenectady County - Mayor Gary McCarthy joined other local leaders in welcoming news of federal funding for a number of important trail, sidewalk and road improvement projects that were approved yesterday by the Policy Board of the Capital District Transportation Committee (CDTC).

The City will receive \$705,000 in 2015 for Guilderland Avenue and \$525,000 in 2016 for Broadway downtown from State Street to Millard.

“These pavement preservation projects will help the City maintain two important thoroughfares and the federal funding will allow us to use local resources for other roads that need repair,” said Mayor Gary McCarthy.

“All the Schenectady City and County projects were evaluated and rated very highly by the CDTC staff, and our CDTC members agreed that for these projects the benefits significantly outweighed the costs,” said Michael V. Franchini, Executive Director of the Capital District Transportation Committee. “This is a great use of federal transportation funding!”
