◆ Sat Oct 14* 8 am – noon ◆ Sat Nov 4 8 am – noon

The program is for Schenectady County residents only

Register On-Line at www.schenectadycounty.com/hhw
Or call Angelina at Monday-Friday 372-1662X264 9AM-4PM
Registration is Required (don't get closed out, sign up early)

- ✓ Registration opens for each collection the Tuesday following the previous event and closes at noon 4 working days prior to the event or when the registration limit is reached, whichever comes first. You will receive a registration confirmation by U.S. mail prior to the event. Bring it with you to the collection. Contact us at the above Phone # if you do not receive the confirmation by your mail delivery the day before the event.
- ✓ A Composting and Recycling Facility Permit is **also** required to participate in all events. The yearly permit fee is \$20 and the permit can be purchased at the composting facility or at the Schenectady County Office Bldg., Finance Office, 620 State Street, 3rd floor.
- * The **May and October collections** will be held at the County Public Works Facility at 100 Kellar Ave. in Rotterdam. **All other collections** will be held at the County Composting and Recycling Facility at 24 Hetcheltown Road, in Glenville.

Leftover or unused household cleaners, paints, lawn and garden chemicals & automobile fluids (except anti-freeze and motor oil should be brought in their original container with the original label if possible.

- Only material from households can be accepted. Quantities larger than one carload may be rejected. Call 372-1662X264 if you have more than 20 one-gallon cans or the equivalent.
- No waste from commercial, industrial, institutional or not-for-profit generators is allowed. Schenectady County does sponsor a program for these generators. Call 386-2225 for information on that program.
- **Do NOT bring the following items:**

Motor oil, antifreeze, lighting, batteries, asbestos, explosives (including ammunition), smoke detectors, medical waste, grill-sized propane tanks or larger, electronics, computers or computer accessories, empty aerosol, or empty paint containers. See "Safe Management Alternatives" brochure to learn how to handle these materials. See "Disposing of Home Use Medical Needles" brochure for handling syringes and medical sharps).
