# SeeClickFix

## **Submit Non-Emergency Requests & Track their Resolution**

Using SeeClickFix, you can submit concerns to Schenectady and receive status updates on their progress. Submit requests on this webpage, or download the SeeClickFix app and submit requests on the go.

Thank you for making Schenectady a safer and more beautiful place!

Citizens who report issues will receive an automated response letting them know that their issue has been received. Once an issue has been assigned, another email will be sent to provide a status update.

**Please note:** Not all issues will be able to be immediately fixed. Issues will be completed based on priority-level and budget status. We welcome citizen feedback and will be monitoring the application regularly in an effort to continuously improve its effectiveness.
